## Reorganization Sheriff's Dept. Not to Affect 108 St. Station

Reorganization of the sheriff's department, with the abolition of several positions, the transfer of several officials and a reclassification of the ratings of three substations is scheduled for January 1, according to records of the county bureau of efficiency.

The Vermont avenue sub-station, 108 1/2 South Vermont, serving the area contiguous to Torrance and Gardena, is not affected directly, nor is the Newhall sub-station, serving the unincorporated area around San Fernando. It was learned, Sheriff Eugene Biscailuz, who recently became sheriff by appointment for the next two years at a salary of \$12,000 a year, asked the supervisors to officially designate the Florence avenue, Fairfax avenue and Belvedere substations as Class A stations.

The proposed change most directly affecting nearby unincorporated areas is a shift in the commanding officers of the substations. Biscailuz proposed to abolish the office of chief criminal deputy sheriff, a post now held by R. H. Wright, and make Wright chief deputy sheriff. As chief deputy, Wright would supervise all sub-stations, replacing Dave Croushorn, who would become a captain of sub-stations. Croushorn now is a director of substations.

Mr. and Mrs. A. W. Melner entertained at their guests last week-end, Mrs. H. L. Crimmings and son, Peter, of Hollywood.
